

SDR-MDR-x

KEY FEATURES

- ❖ Converting mini-Camera Link SDR plug to standard Camera Link MDR receptacle
- ❖ Direct plug and compact size
- ❖ Offset heights eliminate the smaller spacing between two SDR connectors
- ❖ Precision 3D printed shells
- ❖ Used with Phrontier PHIRE, PHIRE-S, PHAST fiber extenders to eliminate the extension cables
- ❖ PoCL compatible

Note: Camera and PHAST are not included in adapter orders
